

The Jacob & Hilda Blaustein Fund for the Enrichment of Jewish Education 2026-2027 Grantees

Capital Camps & Retreat Center
To provide an immersive astronomy and Jewish learning overnight retreat for teen counselors-in-training.

Elijah Cummings Youth Program in Israel
To unite Black and Jewish teens together at the start of a yearlong program to build trust, relationships, and a shared commitment to social justice.

Macks Jewish Connection Network
To provide the Community Connectors with Jewish learning sessions to enrich their outreach work.

Maryland Hillel
To offer a year-long program designated to empower Jewish women students through mentorship, professional development and personal growth.

Neshama
To offer a weekly informal Shabbat learning experience for justice-involved individuals, people in recovery, and those navigating mental health challenges.

Pearlstone
To provide Jewish learning through walking tours along Pearlstone's farm and forest trails, blending outdoor exploration with Jewish education.

The Alvin and Lois Lapidus Center for Healing and Spirituality
To offer a 9-month Torah study cohort where women explore Jewish texts and rituals from an empowered, women-centered perspective.

The Associated
To bring together leaders from the Black, Jewish and Black Jewish Community to build bridges and connections.
