\$31,176,737

TOTAL GRANTS TO ORGANIZATIONS

FY25 ASSOCIATED ALLOCATIONS BY ISSUE AREA

The Associated's allocations are the result of the careful consideration of many lay leaders working hundreds of hours to best use precious philanthropic resources for the good of our community. A shift in funding has intentionally taken place to invest more in engaging our community in Jewish life following the results of the 2020 Greater Baltimore Jewish Community Study that showed a significant decline in community participation.
